Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Sunday 18 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Generally dry and very warm, locally hot inland.

This Evening and Tonight:
A very warm and dry evening with sunny spells and just some fair weather cloud. Any cloud gradually fading away to leave mostly clear skies across the region. Temperatures remaining warm inland overnight. Minimum temperature 17 deg C (63 deg F).

Monday:
Another hot day. Staying clear during the morning with long sunny spells. Some cloud bubbling up during the afternoon with the chance of a shower developing, mainly towards the west. Maximum temperature 31 deg C (88 deg F).

Outlook for Tuesday to Thursday:
Variable amounts of cloud but with plenty of sunny spells through the period. Largely dry throughout. Temperatures very warm or hot inland, cooler towards the coast.
